Everything Awaiting You On and Off the Slopes

Preparations for our anniversary are entering the final stretch! Ahead of you is a brand new edition of our newsletter packed with great news, extra attractions, and important reminders. Sit back, read through all the details, and get ready for a winter adventure!

Transport to Kopaonik

Organized bus transport to Kopaonik and back is available.

- Round-trip ticket price: 80 €
- Departure stations: Belgrade city centre and "Nikola Tesla" Airport (you will be notified about the exact pick-up location in due time)

What you need to do: Please contact your captains as soon as possible and confirm whether you will be using this transport. If you are arriving by plane, make sure to send them both your arrival and departure flight times, or if you are departing from the city center, just confirm your departure from the center.

Theme Party: Games

Get ready for a night to remember! The theme for this year's theme party is Games — all kinds of games from around the world are included! From board games, card games, bedroom games and video games, all the way to retro computer heroes and sports icons. Let's make that evening look better and come alive with an explosion of color and creativity! Unleash your imagination, play around with your costumes, and be the main player on the dance floor.

Karaoke Night with a Live Band

This won't be your typical karaoke night — this time, you will be singing live with a real band on stage! That’s right, whoever signs up gets to take the mic and be the lead singer for the song they registered for.

To keep everything running smoothly and without delays, the band needs to prepare the repertoire in advance. Therefore, we kindly ask everyone who wants to sing to send us your suggestions:

- What to send: First and last name + team name + song titles (feel free to send as many as you wish, the more the better!).
- Application deadline: By November 29th to info@gfl2027.com
- Musical direction:Keep it simple! Choose timeless karaoke hits and songs that everyone knows and loves to sing. Keep in mind that a live band has its technical and repertoire limitations, so please suggest classics we can't go wrong with

Traditional DJ Battle

It's time to see who holds the best rhythm on the mountain! Our traditional DJ Battle is officially open, but heads up — performance slots are limited!

- Set duration: 30 minutes
- Application deadline: By November 29th
- Application E-Mail info@gfl2027.com
- Application details: First name, last name, team name, artist name (DJ alter-ego), whether you have mixing experience, and what soundtrack / genre vibe you plan to play.

Additional Attraction: Snowmobile Ride

For all adrenaline and untouched nature lovers, we are organizing a snowmobile ride!

- **One hour guided tour through the beautiful trails and parts of Kopaonik - max 2 people per snomobile, max 6 snowmobiles at the time (for more prior reservation is needed)**
  100 € per snowmobile

- **One day guided tour for 6 snomobiles (max 2 persons per snowmobile)**

All tours take place with the accompaniment and training of professional, licensed guides.

Reminder: Extended Stay (January 31 – February 1)

Want an extra day to enjoy the snow? We've got great news! The extended stay from January 31 to February 1 takes place at Hotel Grand and brings an extra relax day for all participants at a half-board price of 80 €.
